Sponsored by **Entergy Arkansas Inc.** and implemented by CLEAResult

Partnering Contractors

The Program provides this list of currently Participating Contractor's information for customers to contact directly. They have met the requirements listed below. Note the "Service Radius in miles" column, as some contractors may appear to be located some distance from you, but may still serve your area. The Participating Contractor provide is to services in accordance with the Program's Best Practices Efficiency Standards. The following is a brief summary of these standards.

- Deliver promised services in a timely and responsible matter.
- Maintain any relevant licenses required by federal, state, county or municipal governments or any other agencies with jurisdiction over work performed in the Program.
- Maintain general liability insurance coverage.
- Provide the customer a written warranty of labor and materials for a minimum of one (1) year from the date the service is performed. Equipment installed shall carry manufacturer's warranty, including optional extended warranty coverage.
- Provide a customer complaint resolution process.
- Allow random field inspections, by the Program, of work that has been performed. The contractor, upon request from the Program, and at no additional cost to the customer, shall make reasonable repairs or corrections to work that the Contractor has performed to bring such work up to the Program's Best Practices Efficiency Standards.
