2.0. SCHEDULE OF EXEMPTIONS FROM RULES FOR CONSERVATION AND ENERGY EFFICIENCY PROGRAMS (RCEEP)

2.1. Rules For Conservation And Energy Efficiency Programs § 7.D Cost Recovery

Entergy Arkansas, Inc. (EAI) is currently exempted from RCEEP § 7.D. by the addition of the italicized passage below to the Section:

- D. Demand response programs that involve rates (e.g., interruptible service, curtailment, off-peak service, time-of-use rates) shall not be included in any surcharge or rider. The rates for those mechanisms will be established through utility-specific rate or tariff proceedings. *The Arkansas Public Service Commission has granted Entergy Arkansas, Inc, a waiver of the rule with respect to the costs associated with the Company's Irrigation Load Control Program by allowing the recovery of such costs through the Company's Energy Efficiency Cost Recovery Rider (EECR).*
